Klick on edit. A new tab will open.

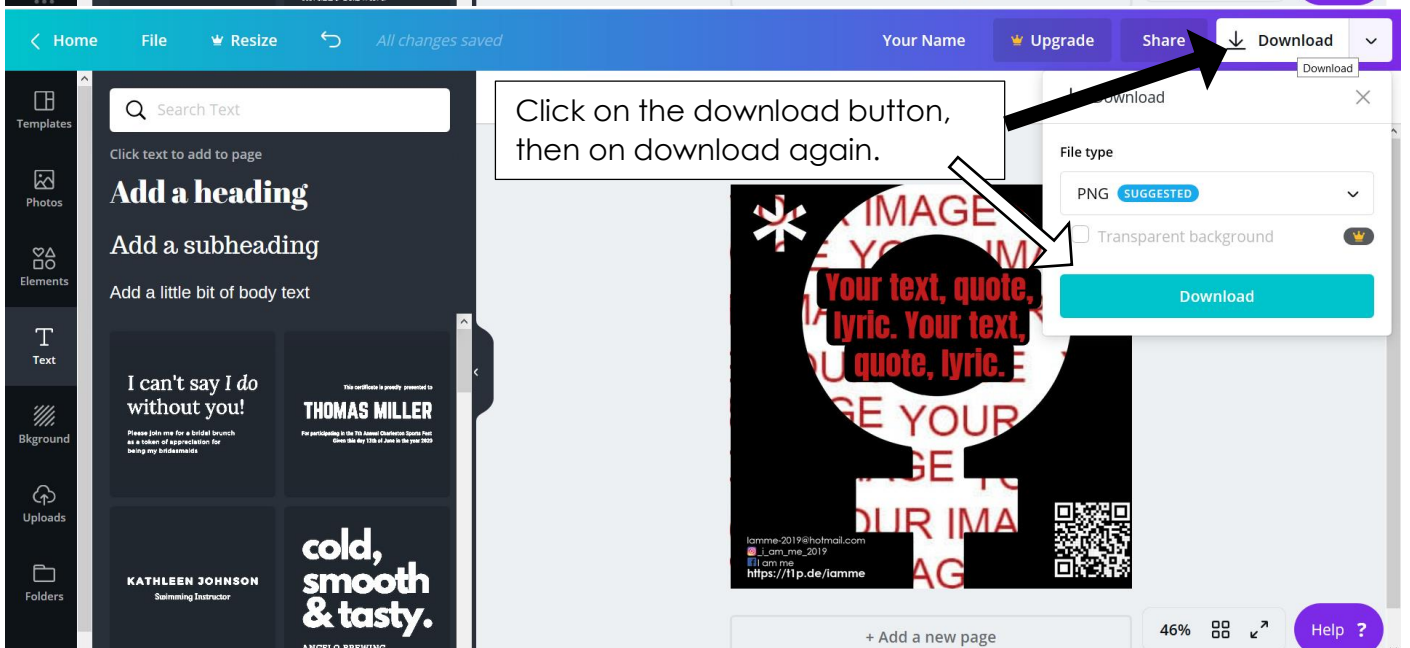

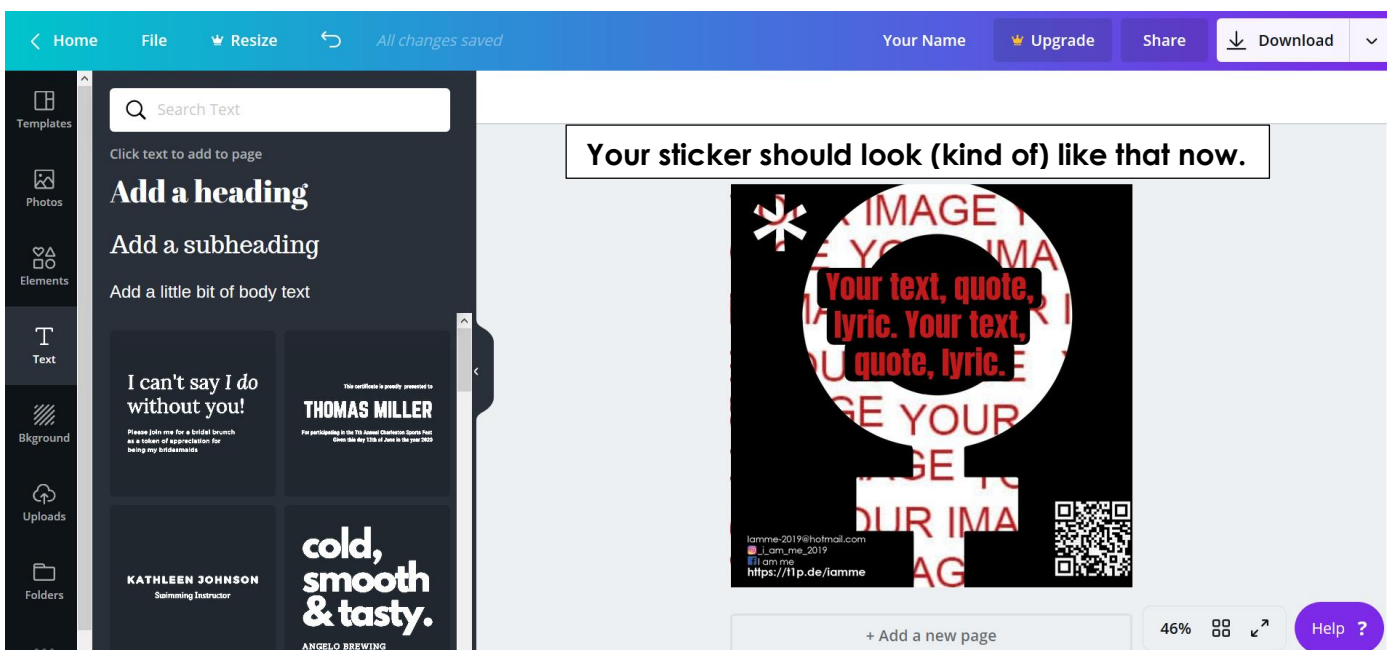

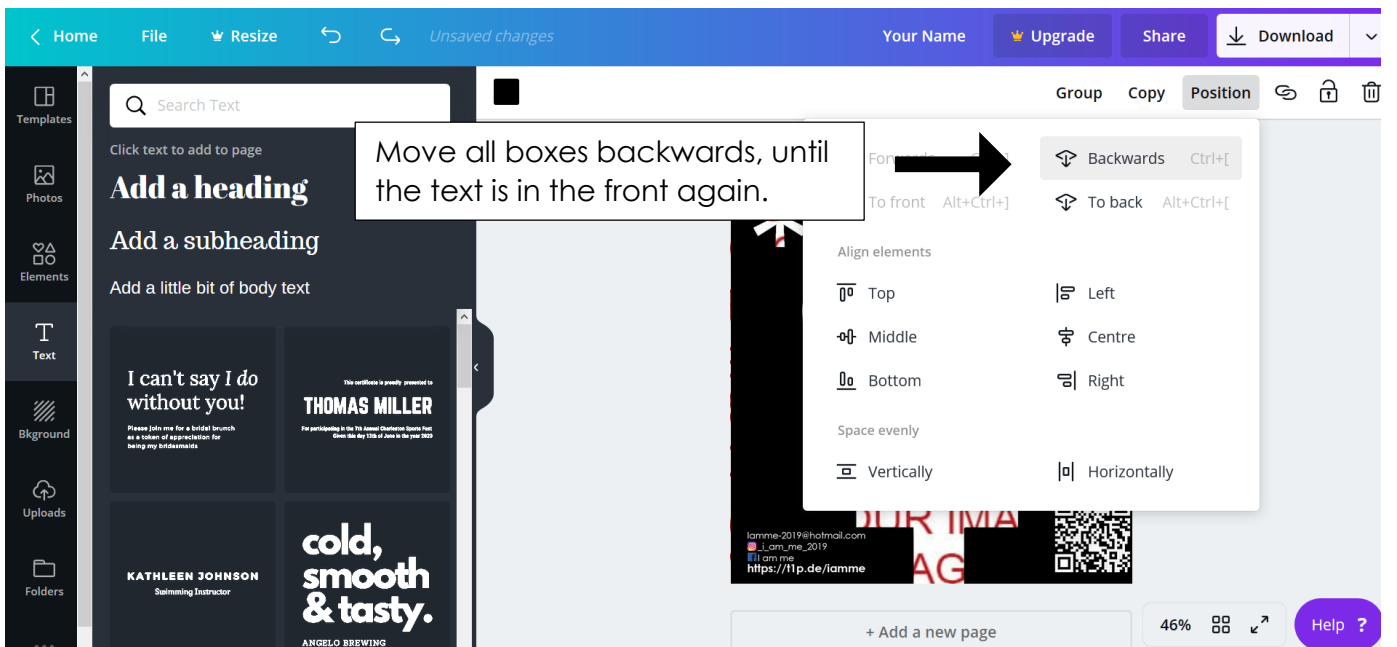

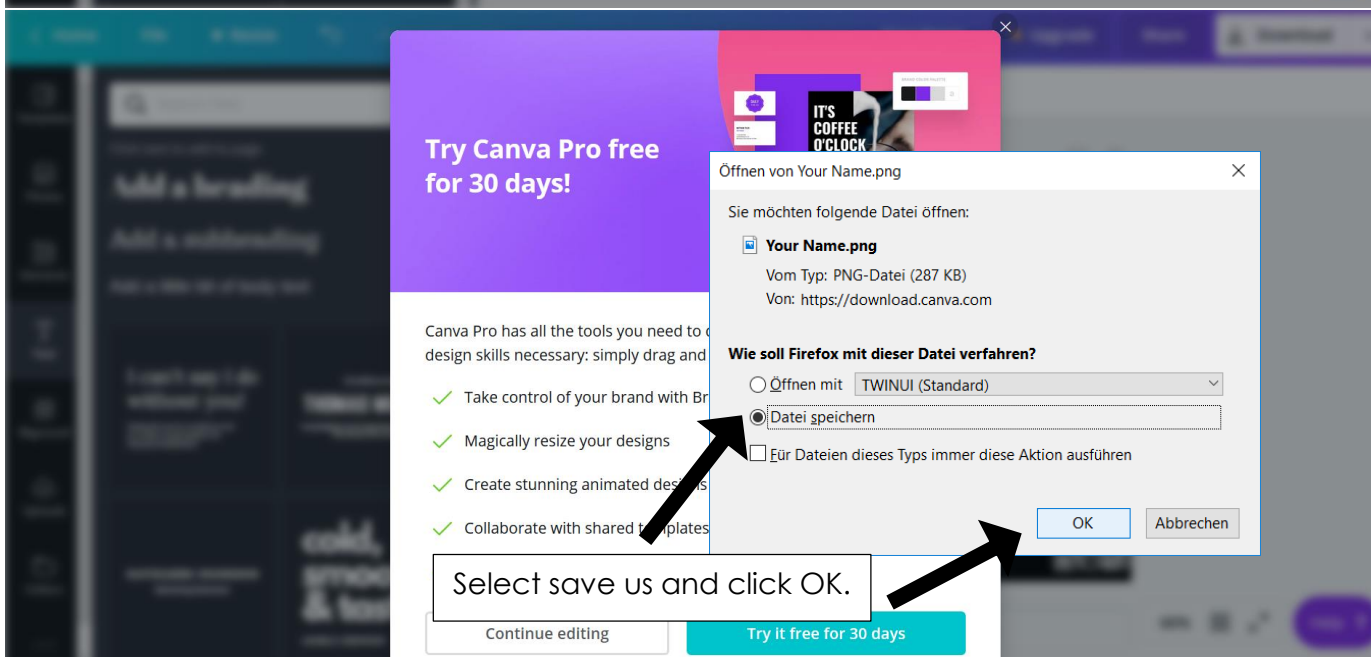

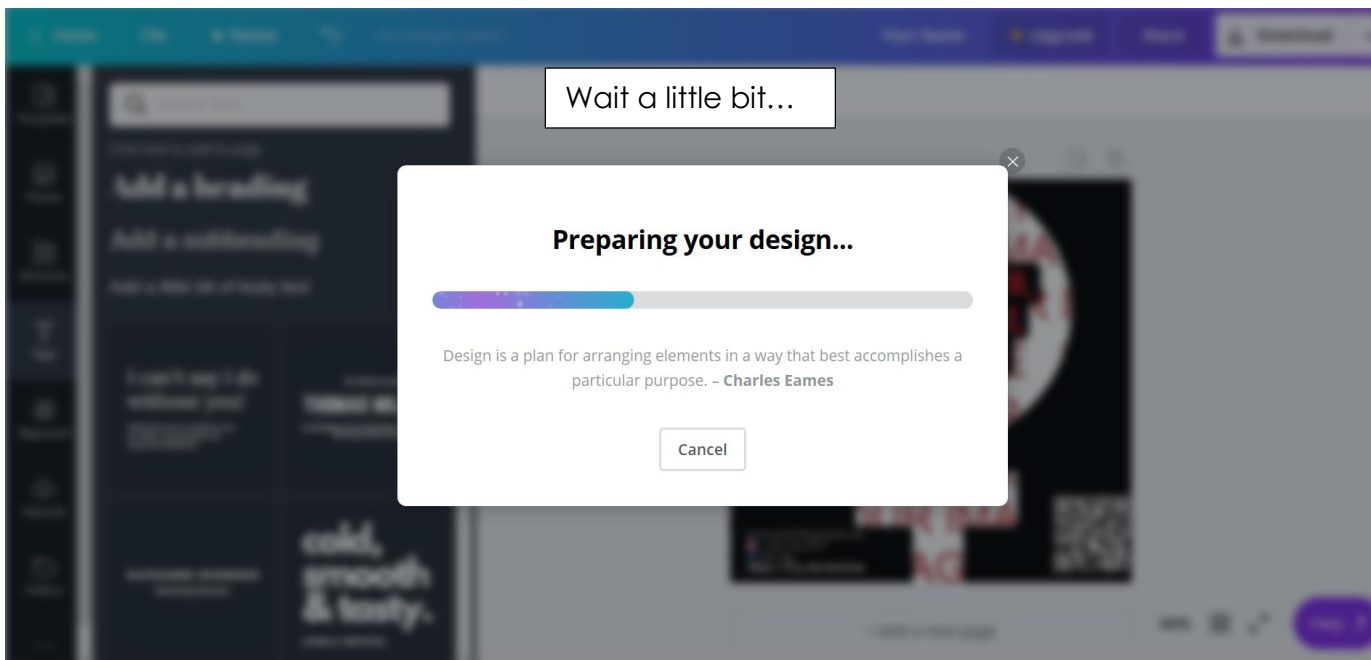

The screenshot shows the top toolbar of the Canva editor with the 'Upload' button highlighted. The left sidebar contains a 'Templates' panel with 'Upload an image' selected. A callout box with an arrow points to the upload button, containing the text: 'To open your image, click here.'

The screenshot shows the 'Filter Adjust Crop Flip' toolbar. A callout box with an arrow points to the crop handles of the image, containing the text: 'Click and drag to enlarge the image.'

The screenshot shows the 'Position' dropdown menu open, displaying options like 'Backwards', 'To back', 'Align to page', 'Top', 'Middle', 'Bottom', 'Left', 'Centre', and 'Right'. A callout box with arrows pointing to the 'Position' button and the dropdown menu contains the text: 'First open the position options, then move your image to the back.'
